

A modern, adjustable desk lamp. It features a black metal frame with brass-colored accents at the joints and the base. The lamp has a large, frosted glass shade that can be tilted and rotated. The base is a simple black rectangular block with a brass-colored plug. The lamp is shown against a white background.

The technical drawing illustrates two lamp models: 'Swing Horizontal' and 'Swing Vertical'. The 'Swing Horizontal' model is shown at the top, featuring a horizontal arm with a circular lamp head. Its dimensions are 7.6cm for the arm width and 14cm for the lamp head diameter. The 'Swing Vertical' model is shown below, featuring a vertical arm with a rectangular lamp head. Its dimensions include a 34.3cm arm length, a 1cm arm width, a 17.1cm mounting plate center offset, a 14.9cm lamp head width, a 30.5cm lamp head depth, a 39.4cm lamp head height, and a 57.2cm total height. The lamp head is labeled 'Swing Vertical'.
